Re: **Wilcox Intertrade, Inc.**

To whom it may concern:

Attached please find withdrawal application for the referenced company, articles of domestication for the same company and articles of incorporation for the same company. Our goal is to domesticate this entity to Florida as a Florida corporation. We no longer want to be a foreign entity registered to do business in Florida. It is particularly important that we maintain the same name, however, because this company owns over 50 parcels of Florida real estate and due title issues, changing the name would be unduly burdensome. So, we kindly ask that you allow us to domesticate the entity with the same name as it held as a foreign entity registered to do business in Florida. After all, it is the same entity.

We are also including a check in the amount of \$163.75 representing the filing fees of \$35 for the withdrawal application for the referenced entity and \$128.75 for the domestication of the same entity.

Please let us know if you have any questions or comments.

Sincerely,
Very sincerely yours,
