Re: Click & Banks Company Inc.

Dear Ms. Banks:

Thank you for your recent correspondence requesting approval for use of the above-referenced name.

It is the opinion of this Office that the corporate name (Click & Banks Company Inc.) is definitive enough to differentiate the business being conducted from that of a commercial bank, trust company or credit union. The company will also not engage in business purporting to be a financial institution. Therefore, the Office does not object to your use of the above-referenced name being registered to conduct business in the state of Florida. However, this does not give one the authority to act in any licensed capacity until all licensing requirements have been met within this state. Should the name become confusing to the public, future modifications may be necessary.

Sincerely,

Russell C. Weigel, III
