To whom it may concern:

It has come to my attention that my name and address (*Michael Huston, 2210 3<sup>rd</sup> Ave N, St Petersburg, FL*) were used on the above referenced company's state record as it appears on sunbiz.org. I have never had any connection with this company and request to have my name and address stricken from the record. Around 2021 this company used my name and identity to secure a fraudulent loan in excess of \$30,000. The matter was resolved by the issuing bank who determined I had no connection with the company. I just became aware that my name still appears in the company's record.

**Please remove my name and address from the public record.** Please do not hesitate to contact me if you have any questions or need further information.

Thank you,

**Michael (Mike) Huston**
