We have received your document for F.A. CRAWFORD, INC. and your check(s) totaling \$105.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

Please follow state of FLORIDA guidelines for conversion.,

The designation of the registered office and the registered agent, both at the same Florida street address, must be contained within the document pursuant to Florida Statutes. The registered agent must sign accepting the designation as required by Florida Statutes.

The document must contain written acceptance by the registered agent, (i.e. "I hereby am familiar with and accept the duties and responsibilities as registered agent for said corporation/limited liability company"); and the registered agent's signature.

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's requirement to file an annual report and pay the required annual report filing fee until the following calendar year.

Please return the corrected original and one copy of your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6052.
