Good afternoon Daniel,

Thank you so much for taking the time today to help me with the corporate filings.

As per our conversation we will not be reinstating Blake Kallen LLC (000371050950)

Instead we would like to release the name and process our corporate filing of Blake Kallen PA receipt #200380878112 (receipt attached). Unfortunately I have not received any additional correspondence regarding this original filing so I don't have any document number.

The original filing of the LLC was in error due to incorrect information on the type of entity to open.

To recap, we will not be reinstating the LLC referenced above and would like to use that name to open the PA application filed online.

Please let me know if you have any questions or need any additional information.

We appreciate your prompt response.
