RE: Document #P22000047356

STATEMENT OF FACT

Dear Secretary of State

Please be advised that either Mr. Jorge Ramirez CPA or his office filed an annual report erroneously on my behalf. I do not associate with him or his office. He changed my mailing, physical address and removed my name as the president of my own company. Had this been a honest mistake, he would have only paid the fee and add the FEIN but having made a complete change of the document makes me think otherwise. I did contact his office and left a message but no on has returned my call so therefore I am writing to you today to make you aware of this incident. You can confirm this information when you look up the Document number and research the Aritcles of Incorporation. I am mailing out today an amendment in order for your office to fix this error.

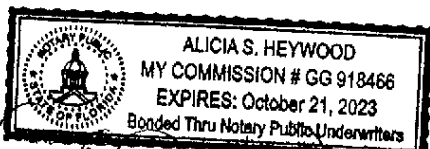

Thank you
