To Whom It May Concern,

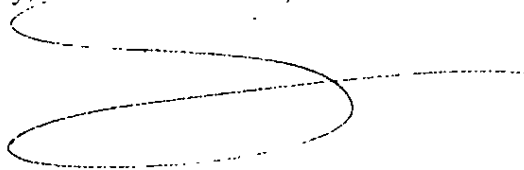

I received an email from Tyrone Scott on March 4<sup>th</sup> letting me know that the articles of incorporation for my e-filing for Jesse Rose Law Corp were received but could not be approved because "the name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of an existing entity."

The document number of the name conflict is L22000037908/-JESSE ROSE LAW PLLC.

The email went on to state that I need to send a letter indicating that I am the principal for both, which I am. I am the sole owner and incorporator of both of these entities. My intent is to incorporate Jesse Rose Law Corp and dissolve Jesse Rose Law PLLC, but I need to get the Corp. up first.

Please let this notice serve as my official notice. I tried mailing this letter once before in early April with my paperwork, but I was told on the phone on June 23<sup>rd</sup> that it had not been received. Thus, this is my second attempt.

Respectfully,

A handwritten signature in black ink, appearing to be "Jesse K. Rose", written over a horizontal line.
