RE: Statement of Fact

200388839042

To whom it may concern,

My name is Joseph Misak and I recently found out my name and address had been used to set up a bogus corporation. I have received various publication, advertisements and offers to my home address here in Venice, Florida.

I am writing this letter to confirm that I have never been associated with the corporation known as Pinyon Clinic Inc. According to the State of Florida, Division of Corporations, the document number is P22000053613. The date filed is 07/01/2022. This "corporation" has my home address of 8900 Excelsior Loop Venice, FL 34293 associated with it. I am also listed as the CEO.

Since I have never even heard of this corporation, I am not sure how they obtained personal information and what their intentions are. They have created numerous websites with my personal information and they have included mine and my wife's personal cell phone numbers. I have contacted the Sarasota County Sheriff's Office to file a complaint. The case number is 22-98177.

Please accept this Statement of Fact that I never authorized the creation of this corporation and would like my name and address to be disassociated with it going forward.

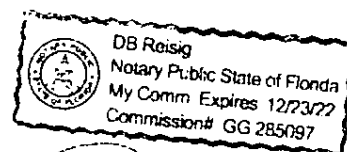

Please let me know if there is anything else I need or can do to complete this process. If it is possible, I would like my name and address flagged in case someone attempts to open another corporation. Is there any way I could be contacted if that happens? I will be signing up with an identification protection company in the coming days and hope this will prevent further identity theft. If you need to contact me directly, my cell phone number is 941-716-1245 and my email is joemisak@hotmail.com

Thank you for your assistance in this matter.

Sincerely,

Joseph Misak
