Dear Ms. Leblanc,

You and I had a conversation on Friday morning concerning the fact that I had filed for a new corporation under the name: Cart Parts Online, Inc. I had received a letter back from Daniel O'Keefe, from your department stating that that document could not be filed because of the fact that there was another corporation in the form of an LLC that had the same name. I then called and you answered and helped me. I indicated to you that I intended to dissolve the Cart Parts Online, LLC once I got confirmation that the new corporation had been approved. It was then when you informed me that the LLC would have to be dissolved first before the new corporation could be approved.

As per our conversation Friday morning, I have dissolved Cart Parts Online, LLC as of August 1, 2022. The tracking number for this event is: 800391959898. I am requesting at this time that the new corporation be approved so that I can obtain the tax ID number from the IRS and open a corporate checking account.

I have attached the information that I have received. Please let me know if there is anything more you need from me in order to get this completed.

Once again, I would like to thank you very much for all your help in this matter.

Sincerely,

Steve Lewis, Sr
