11. The author of the paper, "The Role of the Teacher in the Classroom," is interested in the way that teachers perceive their role in the classroom. The author conducted a survey of 100 teachers and found that 60% of them believed that their role was to be a facilitator of learning, while 40% believed that their role was to be a direct instructor. The author concludes that the majority of teachers believe that their role is to be a facilitator of learning.
