The Preferred Stock and the Common Stock shall have a par value of \$0.001 per share.

Each issued and outstanding share of Common Stock shall be entitled to vote on each matter submitted to a vote at a meeting of the shareholders. Subject to the rights of any outstanding class or series of capital stock ranking senior to Common Stock as to dividends, dividends may be paid upon Common Stock in cash, property or securities as and when declared by the Board of Directors out of funds legally available therefor. As and when dividends are so declared and paid, the holders of Common Stock shall be entitled to participate in such dividends ratably on a per share basis. In the event of any liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, the holders of Common Stock are entitled to share ratably in the net assets, if any, remaining after payment in full of all debts and liabilities of the Corporation and after the holders of any outstanding class or series of capital stock ranking senior to Common Stock shall have been paid in full the amounts to which such holders shall be entitled, or an amount sufficient to pay the aggregate amount to which such holders are entitled shall have been set aside for the benefit of the holders of such senior capital stock.

The Board of Directors of the Corporation (the "Board of Directors") is expressly authorized to provide for the issuance of the Preferred Stock in a single or multiple series, and to fix the number of shares and to determine or alter, for each such series, such voting powers, full or limited, or no voting powers, and such designations, preferences, conversion rights, cumulative, relative, participating, optional, or other rights and such qualifications, limitations, or restrictions thereof as shall be stated and expressed in resolutions adopted by the Board of Directors providing for the issuance of such shares (a "Preferred Stock Designation") and as may be permitted by the Florida Business Corporation Act. The Board of Directors is also expressly authorized to increase or decrease (but not below the number of shares of such series then outstanding) the number of shares of any series of Preferred Stock subsequent to the issuance of shares of that series. In case the number of shares of any such series shall be so decreased, the shares constituting such decrease shall resume the status that they had prior to the adoption of the resolution originally fixing the number of shares of such series.

FIFTH: The Corporation shall continue in existence perpetually.
