OK, thank you for the update. Once we issue the \$35 check, will the document be processed based on the date that the original check was cleared?

I have review your filing and everything looks good, but we do not have enough money. The fee for the merger is \$70 which is \$35 fee for each entity that is involve in the merger and \$70 to file the corporation. I need an additional \$35.00.

Good afternoon Mrs. Cline,

Pursuant to our conversation, I am requesting an update on the Merger documents that were submitted to the Florida Department of State, Division of Corporations on March 15, 2023. We received confirmation that check # 15293 issued to the Department of State was cleared on March 27, 2023. Attached please find the front and back copy of this check. I contacted the Division of Corporations and they stated that they do not have record of the Merger documents that were submitted.

Attached please find a copy of the documents that were submitted on March 15, 2023.

Please contact me at your earliest convenience with an update on this inquiry.

Thank you for your assistance.

Warm regards,
