I, Vanessa Kollcaku and the only person affiliated with this business, with no RAs. I want everything with this business to remain the same, except I would like to change the name to Brand Expand Inc. When I filed this business initially, I was told that Sunbiz made an error when filing it since that name was already taken and now they are going to fix it free of charge due to this error. I want the new name of this business to be Brand Expand Inc. I had made an LLC just to hold the name of the business and I filed for dissolution for the business already. I have no intention of reinstating the other LLC, Brand Expand LLC. This was just to hold the name. I want everything to remain the same with my current business, Brand Boost Media Inc. structure wise, just to change the name to Brand Expand Inc. Please do not use any information from the LLC I created, I had an RA on there and that does not apply to this business. I only created the LLC to hold the name. I paid the filing fee, but was wondering if i could get a refund on creating the business since it was due to this issue.
