## GUIDELINES FOR DRAFTING ARTICLES OF AMENDMENT

This amendment format is appropriate for most Maryland Stock and Nonstock Corporations. It may not be used for Maryland Religious Corporations or Cooperatives, or for any non-Maryland entity. These instructions will aid you in meeting the legal requirements to amend a charter. Questions addressing the merits or wording of the changes you are making should be discussed with your lawyer, accountant, or other business or financial advisor. Legal questions of a general nature cannot be answered by the staff of this Department. You may complete the form above and submit it as your Articles of Amendment. **Please type or complete using a computer. Handwritten forms are much more likely to be rejected.**

Each list item below corresponds to a blank on the form.

(1) Insert "Stock", "Close", "Nonstock", or "Professional" depending on if the corporation is a regular stock corporation, a close corporation, a nonstock corporation, or a professional services corporation prior to any effects the amendment may have. If you are unsure, refer to the corporation's existing charter document(s).

(2) Insert the exact name of the corporation, prior to any effects the amendment may have, as found in Departmental Records. Spelling, punctuation, abbreviation, spacing, etc. all must match.

(3) State the change(s) to the charter. Since this document becomes part of the corporate charter, the wording must be clear and unambiguous, and must accurately express the corporation's intentions.

- If the corporation is adopting a new name, be sure to include "INCORPORATED", "CORPORATION", "LIMITED", "COMPANY", or a common abbreviation of one of those terms (or "Chartered", "Professional Association", or "Professional Corporation" or an acceptable abbreviation if for a professional services corporation).

- If the amendment changes authorized stock, it must state the number of shares and the par value of each share both before and after the amendment.

(4) State the method by which the Corporation approved the charter amendment. Below are the five most common methods of approval. Only one of these can apply.

- If this corporation has directors and stockholders, insert "the directors and stockholders".
- If this is a close corporation that has no directors, insert "the stockholders. This is a close corporation that has elected to have no directors".
- If this is a corporation that has authority to issue stock, but has not yet issued any, insert "the directors. No stock has been issued".
- If the corporation has no authority to issue stock, but has a membership entitled to vote on amendments, insert "the directors and members".
- If the corporation has no authority to issue stock and there is no membership entitled to vote on amendments, insert "the directors. There is no membership entitled to vote on amendments".

(5) Have the appropriate officers sign. Two signatures are necessary: one to acknowledge the corporate act and to verify the facts under the penalties for perjury, and one to witness or attest the signature. The signatures **must** be by different individuals unless the entity is a close corporation or a professional services corporation, and such is indicated per item (1) above.

(6) Insert a return address for the filing.

## WHERE AND HOW DO I FILE MY DOCUMENTS?

Articles of Amendment may be filed online through the Maryland Business Express online filing portal. The portal may be accessed by visiting the following link: [Maryland Business Express](#).

By mail or in-person submissions should directed to:
