Dear Ms. McKnight,

My identity has been stolen. The perpetrator set up a Florida corporation under the name of Tim Trojnar Co Corporation. I am writing to ask you to dissolve this corporation. I did not do this. The hacker has stolen \$15,369.48 from my bank account. They also used my credit card to pay for the fees to incorporate. I have filed an incident report with pinellas county sheriff dept incident #- SO25-8975 and the Marion County sheriff dept, incident # 2501010230. Attached is all investigative documentation rcvd via email and from my bank. My claim from Bank of America denying my fraud claim has been reopened. Please contact me via email or phone listed above if there are any questions. Thank you for your prompt attention to this matter.
