11. Business Purpose: The Board of Directors shall have power to make and alter the by-laws of the corporation; to fix the amount to be reserved as working capital over and above the capital stock paid in; to authorize and cause to be executed mortgages and liens upon the real and personal property of the corporation; to set apart out of any of the funds of the corporation available for dividends a reserve or reserves for any proper purpose and to abolish any such reserve in the manner in which it was created; to declare dividends and to authorize the issuance of stock of the corporation. The board of directors may authorize and issue obligations of the corporation, secured or unsecured, and may also authorize the pledging or encumbering of corporate assets. Power is conferred upon the board of directors to designate, appoint and remove officers of the corporation, to fix their compensation and to require from them security for faithful service. The board of directors may from time to time determine whether and to what extent and at what times and places and under what conditions and regulations the accounts and books of the corporation (other than the stock ledger) or any of them shall be open to the inspection of the stockholders, and no stockholder shall have any right to inspect any account or book or document of the corporation except as conferred by the laws of the State of Florida or by resolution of the board of directors or of the stockholders.
