This letter is a request for abatement of a late penalty imposed for the year 2000 UBR which was filed late.

It is my belief that I did not receive my first notice. If you look back in your records of my UBR payments, you will see that I have paid them all in mid-January. There are few things I take as seriously as paying my taxes (and other government fees) and saving money. Paying this fee early has always been a priority for me. While I cannot say it is impossible, I can say, I am not in the habit of misplacing important documents such as this.

I am hoping that my track record of timely payment for so many years, will warrant a pardon from this rather severe late penalty.

Thank you for your attention in this matter,

A handwritten signature in dark ink, appearing to be "JB" followed by a stylized flourish.
