Re: P93000002270

Dear Department of State:

Please find enclosed my annual report and a check for \$150 for the filing fee. I respectfully request that you consider abatement of the \$400 late filing penalty. I thought I had filed the report online at the end of April, however there must have been an oversight. I was just recovering from tax season, in which I was helping my mother conquer breast cancer and chemotherapy. In addition, I broke my ankle during the same time and our new house under construction, which was suppose to be completed in October, was not completed until March and I was in the process of moving.

I have always filed my annual report timely over the last ten years. In addition, your new system of just sending a postcard instead of the entire report, made it very easy to overlook the first year of the change. Considering the above circumstances, I respectfully request that the penalty be abated. Your consideration in this matter will be greatly appreciated.

Sincerely,

Susan L. Thweatt-Lee

Re: P93000002270

Dear Department of State:

I am requesting an abatement of the \$400.00 penalty for late filing because I have no record of receiving my postcard for the annual report. I have many clients that send in their annual reports, or postcards under your new system. I have one file marked "Corporation Annual Reports" in which I put all of them. In April, I file all of these annual reports. In reviewing my file, I find no report for my business, Susan L. Thweatt, CPA, PA. If I had received the postcard, I would have put it in the file and filed the report timely. I have also looked in various other files and cannot locate any postcard or annual report. After searching all the files carefully, I must conclude that I never received the postcard.

I have always filed my report in a timely manner, and I would respectfully request that the \$400 penalty be abated.

Sincerely,

Susan L. Thweatt-Lee, CPA
