Subject: Corporate Annual Report [sls]

I just received postcard that my annual report fee was due and when I went online I downloaded form that said my fee was \$550.00. My fees in the past have been \$150.00. This must mean that the fee was late or something but I never received notice that it was due until this card reached me. I have never been late with these payments in the past because I have always received the forms or notice to apply for the forms. Is there any way to adjust this or waive the late charge? My document number is : P93000023591 for corporation annual report. This late fee presents a hardship to our business at this time. Please let us know what we are to do....

Thank you for your consideration,
Bruce Miller
