Re: Reinstatement of Corporation - Document # P93000046790

To whom it may concern:

I just finished speaking with a gentleman by the name of Tyrone at the Department Of State regarding my desire for reinstatement as a corporation and the reason that this Annual Report was not filed immediately upon it's original receipt.

As I stated to Tyrone, I had recently had to let go my office manager for several reasons. After he was gone for a short time I became aware of the fact that certain pieces of mail had not been received in my office. Some of these included invoices and statements that were sent to our company, Florida Sales Tax forms, catalogs, personal mail and now I find that the Annual Report form that was originally sent was not delivered to my office. We have a small office and it had become apparent since his departure that he was either throwing certain mail away or simply taking it in a malicious manner. As a result, certain notices, reports, invoices and other government forms were paid late only after a second or third notice had been sent or a call was made to my office. Until this last week, I was unaware that any forms had been sent by the Florida Department of State and that is why I had made the telephone call just a few minutes ago. I certainly apologize for not sending the report in and I can say with all honesty that had I received initial report I would have sent it in immediately with payment. It is in this vein that I am writing this letter to ask if you could possibly waive the late fees that have been incurred as a result of this situation.

After speaking with Tyrone he instructed me to fill out the form completely and send a check in the amount of \$150.00. I told him that I would do this immediately.

Once again, I apologize for this oversight due to the fact that I personally never received the initial forms for the report.

Very Truly yours,
