Re: Late filing of the 2002 Uniform Business Report
Trafalgar Management Services, Inc.
Document number P93000053704

Dear Sir or Madam:

The purpose of writing this letter is to request abatement of the \$400.00 late filing penalty due to reasonable cause. It is my sincere belief that this penalty is the result of reasonable cause on my part and not the intentional disregard of your rules and regulations.

I have always paid my annual fees timely in the past. This year for some reason I did not receive the Uniform Business Report.

I'm a citizen of the United Kingdom and live part of the year at my England residence. While at that address I have all my personal and business mail forwarded to me. In the past the Uniform Business Report has always arrived. But I did not receive it this year.

I did not realize that I missed the filing deadline of May 1st until receiving the second notice for filing the UBR with the fee now \$550.00. Just as soon as I realized I was late I immediately signed the report and mailed it with a check for \$150.00

It is my sincere belief that the late filing and late payment was all the result of reasonable cause on my part and was not the result of intentional negligence. As a result, please do accept my request to forgive the \$400.00 penalty.

Thank you very much for your consideration in this matter.

Sincerely,

Malcolm S Smith
President

Re: Application for Reinstatement
Due to late filing of the 2002 Uniform Business Report
Trafalgar Management Services, Inc.
Document number P93000053704

Dear Sir or Madam:

The purpose of writing this letter is to request abatement of the \$600.00 reinstatement fee due to reasonable cause. It is my sincere belief that this penalty is the result of reasonable cause on my part and not the intentional disregard of your rules and regulations.

On July 17th I filed the Uniform Business Report for Trafalgar Management Services along with check number 363 for \$150.00. I'm a citizen of the United Kingdom and live part of the year at my England residence. I was in England when the second notice was received so I mailed the check and report from England. I also enclosed a letter (copy enclosed) requesting that the penalty be removed because I did not receive the first notice. Since I have always paid and filed the report timely in the past I felt that all was taken care of and no further action would be needed. But somehow my payment did not arrive and the notice of dissolution was generated.

It is my sincere belief that the late filing and late payment was all the result of reasonable cause on my part and was not the result of intentional negligence. As a result, please do accept my request to forgive the \$600.00 reinstatement fee.

Enclosed is my check for \$150.00 and a completed reinstatement application.

Thank you very much for your consideration in this matter.

Sincerely,

Malcolm S Smith
President
