To Whom It May Concern:

With reference to Florida Corporate Tax #P93000055348 I would like to inform you that I did not receive the original form or any prior notice for these taxes. As per our conversation, I would like to have the fee waived. I have already sent you a letter with my check for \$150 explaining this issue after talking to a division of corporation representative about this matter and I was advised to send the letters explaining the problem that I did not receive any prior notice to file the report.

Thank you very much for cooperation.

President
