re: Late Payment

Dear Sir,

Recently I spoke with someone in your office concerning the payment that is late . I would like to take a moment to explain why we did not make our payment by the due date. Our son was out playing with his best friend looking for wood to build a fort . They were in the woods by our business looking when they came to a place that had all kinds of scrap wood and junk . They were so excited . They heard a radio playing and started looking for someone to ask about taking some wood for their fort . They both went up to a shack and opened a door . They took one step in and a man jumped up from behind a pile of trash and said what the hell are you doing here and shot our sons best friend in the chest then turned to shoot our son but the gun jamed . (Our son is 10 and his friend 14) So then this man held our son at gun point with his hands in the air for 15 minutes while on the phone with 911. It took the police that long to figure out how to get through the rubble . I am sorry to go through all this but I hope that due to what has happened you can consider our circumstances and allow us to pay \$ 16~~5.00~~<sup>500</sup> . We in no way can make the late fee . And that would mean that we would have to close our corporation . I pray that you will accept this check I have inclosed . Thank you and may God bless you and your family .

Sincerly,

  
Chris Rentz / PRESIDENT
