To whom it may concern;

Recently it has come to my attention that an unknown party reinstated the above referenced corporation on March 30, 2020 and added an individual that is not known to me as the CFO. This filing was fraudulent and done without the knowledge or consent of the former owners and officers of the corporation. A notice of corporate dissolution was filed on 11/19/2020.

Respectfully,

Donald L Roberts
Former Treasurer / Secretary of SIMSOL Insurance Services, Inc
