To whom it may concern:

Enclosed is my application for re-instatement of my corporation along with a check for \$300.00.00.

Please consider waiving my re-instatement fee because I have not received any of the previous notices or business reports.

I have recently discovered that the post office in St. James City has made a terrible error with my mail. I was temporarily in Boca Raton, FL and turned in a temporary change of address. For some reason, they showed that my forward expired and instead of delivering my mail to my box, they sent a lot of my mail return to sender. Actually, I found this out when I went to vote and was taken off the list because my voter registration card was returned to them. I then realized that my corporation papers had not been received as well, so I assumed that this is what has happened to the documents from you.

I phoned your office some time ago and was mailed the correct documents to re-instate. I just today found out that it was possible to have the fees waived. I will not let this happen in the future as I will make a note on my calendar of when these reports will have to be filed and call if I do not receive them.

I still have that address, but now I do business from my Boca Raton office and have my mail delivered to this address to avoid any additional problems.

Thank you for your consideration.

Sincerely,

Diane Armbruster
