To Whom It May Concern:

I received notification for two companies, All American World Supply Document # P9300006502, and Southwestern Regional Sales Company, Document # P93000064712 in July. After closer inspection I found that they were notices to dissolve or revoke status. I called the Florida Dept. of State, Division of Corporations office and found that this is a second notice and that first notice was to be received and returned by May.

I never received a first notice for either company. They are both listed at same address. Both second notices came at the same time. These filings have always been paid on time by our companies.

I was told to write a check for the amount of \$150 by a representative of your office and write a letter of explanation and it would be put in review.

If you have any questions please call.

Thank you,

Michael Cross
