Ms. Bartlet

Enclosed is the renewal application and renewal fee for our corporation.

As per our telephone conversation I am also enclosing this letter to explain the reason for the corporation filing late. As all of the corporations mail goes to 3512 N. Ocean Dr. the principal place of business I do not always receive the

corporations mail as it arrives.

I never received the original renewal application and

received the second notice only one day before the dead line. The application was filled out that night and mailed the next day at the U.S.Post Office using their next day service to ensure our application arriving on time. That registered letter must not have been delivered since the

check has not been debited from that account.

I hope this letter of explanation can resolve any questions regarding our late filing.

Sincerely
