To Whom it may concern:

with Hepatitis C- I had put my packet to mail in my tax on the table to remind me to do it. A friend came over to week in a shot) when she cleaned she put all my business things in a manilla envelope. I really hate to say but at the time out of site meant out of mind...to say the least.

I have never filed any taxes late and assure you that now that my health is improving, it will never happen again. Please accept the original amount of tax, because when the fine is added on to make the payment \$550.00, this would absolutely devistate my business funds at this time. Please work with me with this so that my small business doesn't suffer anymore than it already has.

Thank you very much. I will be anxiously awaiting a response from you.

Sincerely,

Sheri Scarbrough

President
