16. The fact that the information supplied to the three respondents is identical and does not equally fit the respective subject areas is the only technical flaw. The three respondents are asked to provide information on a highly technical subject and to provide a number of details that they cannot provide because they are not experts in the field. The fact that the respondents are not experts in the field is not a technical flaw because the respondents are not asked to provide information on a technical subject. The fact that the respondents are not experts in the field is not a technical flaw because the respondents are not asked to provide information on a technical subject. The fact that the respondents are not experts in the field is not a technical flaw because the respondents are not asked to provide information on a technical subject.
