To whom it may concern:

We mailed our original Corporation filing on April 16th and requested a Certificate of Status. We usually get this within a couple of weeks after filing. However even after the 30th of May we had not received it. I called your office and spoke with a young lady who stated you were backlogged putting them in but she would check the records to see if it had been received. She stated at that time she had no record of receiving it. She told me to wait 10 days and call back, if nothing at that time to resubmit. I called back the end of last week and you still haven't received it. So I am submitting the copy and another check. Please send the Certificate of Status. This is my way of knowing if you have received it.

Thank you,

Vista A. Bass
