**From: Claudio Rosario
Roseriver Nursery & Landscaping, Inc.**

We, at Roseriver Nursery & Landscaping, Inc. never received the appropriated documents from your office this year until today.

My business is located on a short Post office route (which is in, mainly, agriculture production).

**This year has been the worst one.
I have been receiving, in my mail box, mail that belong to properties 1 to 9 blocks away from my location, and I sincerely dont know where mine were going.**

I went to the post office to see how I can get my own mail into my appropriate mailbox and not to someone else mailbox. I did received a short answer. The answer I got was "As it is a short route the new and temporary employees are assigned on short routes for training." So there must have been confusions with the new employees and the appropriate addresses.

The Post Office responsible for my mail is "Princeton" if you need to contact them.

**Also last year was a very bad for my nusrsery but this year was worst.
I no longer have a Office Secretary nor pesticides spray man. I am doing everything.**

The payroll is been reduced to 4 or 5 employees.

It is my reallity today.

Please, consider this petition of voiding the penalty.

I will appreciate it.

Thanks.

**Sincerely,  Claudio Rosario, Presidente.
