To Whom It May Concern:

In: August, I called the Division of Corporations to find what happened to the form for filing Uniform Business Report.

At that time, I had talked to Stacy to have the report mailed to me. She noted that the address to which the report was mailed was not my mailing address and stated that she would change the address and waive the "late fee". I received the form promptly thereafter.

Today, I talked to another representative and now understand this request must be submitted in writing.

If I may provide further information, please contact me at your earliest convenience.

Thank you very much for your consideration.

Sincerely

Tony Maisano 🗽

President
