FIRST: The name of the Corporation is CNL Fund Advisors, Inc.

SECOND: The amendment set forth below to the Corporation's Articles of Incorporation was duly adopted in accordance with the provisions of Section 607.1006 of the Florida Business Corporation Act. ARTICLE IV

3. Terms of Class B Common Stock. The terms of the Class B Common Stock (including preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends and other distributions, qualifications, or terms or conditions of redemption) are as follows:

a. Rights Generally. Except as set forth in Sections 3(b) and (c) below, each share of Class B Common Stock shall be deemed to be equivalent, on a share-for-share basis, to 1/10th of a share of Class A Common Stock with regard to all matters, including, without limitation, voting rights, participation in the payment of dividends and distributions in liquidation of the Corporation or otherwise. Without limiting the generality of the foregoing, the following provisions shall apply:

(i) At all meetings and in all other actions to be taken by the shareholders of the Corporation generally, the holders of Class B Common Stock shall vote as a single class with the holders of the Class A Common Stock. At all such meetings and on all such matters, each share of Class B Common Stock shall be deemed to have 1/10th the voting power of one share of Class A Common Stock on all matters presented to the shareholders generally, including without limitation (i) the election of directors, (ii) a consolidation, merger, share exchange, or transfer of assets involving the Corporation, (iii) the dissolution of the Corporation, or (iv) any other matter that may be voted on by the holders of Class A Common Stock; provided, however, that any amendment to the Corporation's Articles of Incorporation which affects materially and adversely the rights of the holders of shares of Class B Common Stock shall be approved by holders representing a majority of such issued and outstanding shares. Shareholders holding Class B Common Stock shall have no cumulative voting rights in any election of directors of the Corporation.

(ii) The Corporation may not declare or pay any dividend (payable in stock or assets), make any distribution, set aside any funds or assets for payment or distribution with regard to any shares of Class A Common Stock or redeem or purchase (directly or through subsidiaries), or set aside any funds or other assets for the redemption or purchase of, any shares of Class A Common Stock unless, on a per share basis, 10% of the declaration, payment, distribution, setting aside of funds, redemption or purchase is made with regard to the shares of Class B Common Stock.

(iii) If the Corporation subdivides its outstanding Class A Common Stock into a greater number of shares, or combines its outstanding Class A Common Stock into a smaller number of shares, an appropriate subdivision or combination of the shares of Class B Common Stock shall also be made, as reasonably directed by the Board of Directors of the Corporation, so that each share of Class B Common Stock shall continue to be deemed to be equivalent, on a share-for-share basis, to 1/10th of a share of Class A Common Stock with regard to all matters, except as provided in Sections 3(b) and (c) below. Further, if the Corporation, through a recapitalization,

reclassification or otherwise, changes the designations, preferences and relative, participating, optional or other special rights, and qualifications, limitations or restrictions of the Class A Common Stock (other than in a transaction described in Section 3(b) below), each share of Class B Common Stock, without any further action on behalf of the Corporation or holders of Class B Common Stock shall likewise be changed, as reasonably directed by the Board of Directors, so that each share of Class B Common Stock shall continue to be deemed to be equivalent, on a share-for-share basis, to 1/10th of a share of Class A Common Stock with regard to all matters, except as provided in Sections 3(b) and (c) below.

b. Merger/Sale of the Assets. Notwithstanding anything to the contrary contained herein, if the Corporation shall be a participant in a merger or consolidation with another entity that results in the conversion, exchange or cancellation of the outstanding shares of Class A Common Stock, or a sale or transfer of all or substantially all of the assets of the Corporation, then, in such event, each holder of the Class B Common Stock shall be entitled to receive the kind and amount of securities, cash and other property, including any contingent payments, which the holder would have received if the holder had been, as of the closing date of any such transaction, the holder of an equivalent number of shares of Class A Common Stock.

c. Redemption at the Option of the Corporation.

(i) At any time after June 30, 2003, the Class B Common Stock may be redeemed, at the option of the Corporation, in whole or in part, at any time or from time to time upon not less than five days' prior notice (the "Redemption Notice") to the holder(s) of record of the Class B Common Stock sent by first class mail, postage prepaid, to such holder(s) at its address appearing on the Class B Common Stock register maintained by the Corporation, at a redemption price per share equal to the purchase price paid per share at the issuance of the Class B Common Stock, which price shall be appropriately adjusted, as reasonably directed by the Board of Directors of the Corporation, to give effect to any subdivision or combination of the Class B Stock that has occurred after the date of the initial issuance of such stock. All rights of a holder of Class B Common Stock as a shareholder of the Corporation by reason of the ownership of Class B Common Stock shall cease upon such redemption, except the right to receive the amount payable upon redemption of such share on presentation and surrender of the certificate representing such share. After redemption of any shares of the Class B Common Stock in accordance with this Section 3(c), such shares shall not be deemed to be outstanding.

(ii) The dividend, if any, with respect to a share of Class B Common Stock which is the subject of a Redemption Notice in which the redemption falls between the close of business on a dividend payment record date for the Class B Common Stock and the opening of business on the corresponding dividend payment date will

H98000012143

be payable on the dividend payment date to the holder of record of the shares of Class B Common Stock on the dividend payment record date notwithstanding the redemption of the shares of Class B Common Stock after the dividend payment record date and prior to the dividend payment date.

4. **Preemptive Rights.** No shareholder of the Corporation shall have the right, except as otherwise expressly provided in this Article IV, upon the sale for cash or otherwise, of any new stock of the Corporation held by it in its treasury or otherwise, of the same or any other kind, class or series as that which he already holds, to purchase his pro rata or any other share of such stock at the same price at which it is offered to others or any other price.

THIRD: The foregoing amendment was adopted in accordance with the applicable provisions of Section 607.0704 of the Florida Business Corporation Act by the written consent of the sole shareholder of the Corporation dated as of June 30, 1998; such written consent represents a sufficient number of votes cast for such amendment necessary for the approval thereof.

FOURTH: The effective time and date of these Articles of Amendment shall be at 12 midnight on June 30, 1998.

IN WITNESS WHEREOF, these Articles of Amendment have been executed on behalf of the Corporation by its President this 30th day of June, 1998.
