Florida Dept. of State:

I am requesting a waiver of the additional fees charged to my corporation to reinstate the named corporation, Total Interior Designs, Inc. The corporation 2000 annual report was not received in time to avoid these fees due to a divorce requiring a move. A change of address was put in with the US post office but these forms that were sent still went to my former address as well as some other important documents unfortunately. Please waive these fees so I may maintain my corporation which is my sole livelihood.

Thank You,

John M. Fallon
