To whom it may concern.

At the end of April of this year I placed a several calls to the Division of Corporations trying to find out how I could get a copy of my Uniform Business Report because I had not yet received it in the mail. All I could get was a machine asking me to leave my name and address and one would be sent to me. Being that the May deadline was so close, I searched for other phone numbers and found one where I could speak with someone. The lady told me that the only thing I could do is call the previous phone number and leave the information on the machine. She said that when the Form comes in the mail, send it in with the \$150.00 payment along with a letter explaining what happened and there should be no problem. I did so and nothing came until this form arrived months later indicating a second notice. I am now sending my payment along with the only notice that I received. If there is any problem with this, please notify me as soon as possible because I definitely need to keep my corporation active. Thank you for your help.

Sincerely,

Jeromy Rodgers
