From: Mario Velazco

To my surprise this morning on your website I discovered that my corporation was inactive, you can't imagine my shock. I paid and sent the form back in March of this year. The check was cashed on April 14th and I have included the bank statement for your records. So I have done exactly as I was told by a young lady when I contacted your office. I downloaded another form I will make sure I sign it and I would also like to say that since I made the payment back in March I had no knowledge that it was not signed by me. I did not receive anything in the mail for I would have gladly signed it and returned it. So please take the time to place my company as an active one.
