A problem became apparent to Trinity Concrete, Inc., on Tuesday, March 5, 2019, at 11:07 AM, when we received an email from the Division of Corporations in regard to our 2019 Annual Report, Document No. P94000035012. Immediately, we went to sunbiz.org and sure enough there had been changes to our annual report and we did not make the changes.

After this we called the phone number at the bottom of the received email and spoke to an informative customer service person to inquire about what to do to correct the changes. One process she said we needed to do was to send a Statement of Facts to the Division of Corporations and the attention of Sammy Caldwell.

In the page(s) that follow is the Statement of Facts. Any inquires/questions, please speak with Lisa Becker in our office at the number below. Thank you for your assistance in this matter.
