To Whom it May Concern,

Recently, I have been made aware that the corporation article for my business, Alamia Corporation, has been dissolved since 1999. This dissolution is in result of failure to file a completed 1999 corporate annual report/uniform business report form. Please be aware that this was an unintentional error. I never received the proper paperwork that needed to be filed from the State Department and I was not aware that such paperwork was required yearly. My business is a mom and pop fast food restaurant. I do not have the monetary funds that are required to satisfy the reinstatement. Recently, I spoke to someone in your department that stated the fees could be reduced by putting my financial distress in writing. At this time I can only say I barely make ends meet. I hope you accept the submitted check for \$308.75 (\$300.00 for reinstatement and \$8.75 for a certificate of status) and allow my corporation to continue to stand. I can assure you this will never happen again, for I am much wiser now of the requirements of being a corporation.

Sincerely,

Intesar Awad
