Re: Check not deposited

To Whom It May Concern:

I received my April statement from Bank of America and check # 4105 had still not cleared for payment of the filing fee for check number 4105 mailed on 2/4/8. I called the Dept of State office and asked if you folks were behind on processing the filings and was answered yes but the clerk stated my report fee should have cleared the system by now. I am now assuming the piece of mail containing this check was either lost by the USPS or internally with the State.

Enclosed is a second check for payment for the filing fee I mailed on 2/4/8. I no longer have an original as this was mailed to you in February. I have also enclosed a copy my check stubs to document I had sent out original check on 2/4/8. All other checks around check number 4105 have cleared.

Please call me at 321-258-1355 with any questions concerning this letter.

Thanks
