While getting this together to send to you by September 13, 2000, I noticed on the bottom that it said that this was a second notice....when it is the first notice that I have received.

I also noticed under frequently asked questions, that the fee for this report is only \$150.00 if it is paid by May 1st.

Putting this information together, I realized that I am being charged a late fee. I never received a first notice to show that this was due by May 1st.

Although the business is incorporated, it is very small and we keep track of paperwork ourselves. I have kept a copy of your address and want to know if it is alright to send you a check for \$150.00 on January 1, 2001 with the FEI number so that this does not happen again.

Thank you,

Melani
