Dear Sir or Madam:

The purpose of this letter is to let you know that my company, S.A.L.T. Consultants, Inc., has no record of ever receiving the original 2001 Uniform Business Report that was to be filed on or before May 1, 2001. Since we began doing business in Florida back in 1994, we have always complied with all of our corporate filings including our corporate annual reports, tangible and intangible tax returns, local business licenses, etc. We recently received the 2001 Uniform Business Report showing a due date of September 12, 2001. At first I thought this was a new filing with the State of Florida because we have not previously filed a report with this name. After opening it I realized this is the old Florida Annual Report renamed. I also saw where the fee jumped to \$550 from \$150 because our report was not on file with the Division of Corporations as of June 8, 2001. Our failure to file this report timely is due to the fact that we never received the original. I have enclosed the executed report along with our check for \$150 and respectfully ask that the late filing penalty of \$400 be abated under the circumstances. I have also noted in our tickler file to expect this form early each calendar year. I assure you that we will file this report timely in the future. Thank you for your help and understanding in this matter.

Very truly yours,

Kenneth E. Wilson
