Please find enclosed 3 Uniform Business Reports for the 3 companies listed above. I have enclosed checks for \$150.00 for each company. I am requesting that the late charge for late filing be abated due to unusual circumstances. My client had thought she had filed her reports in January. This is when she usually files them. A check of her UBR history will show she has always paid in a timely manner. She only realized that the reports had not been filed when she received the second set of UBR's. She brought these to my office on or about the end of July. At that time I had my daughter-in-law working as my receptionist. Unfortunately I had to fire her on August 25, 2003. Apparently my clients had been bring in letters and questions concerning Internal Revenue Service, Dept of Revenue etc. and this information was not being delivered to me. This was the case with Mrs. Guthrie's UBR's and when she brought them in they were put among other papers and forgotten. I only just found them among other documents that needed immediately attention. I know that it was an oversight for the original reports to not be filed and I am respectfully asking for your help in getting this matter corrected. If you need any more information please contact me at the above address or phone number.

Sincerely,

Brenda Jepson
