Dear Reader,

I'm asking you to consider an abatement on the fee for filing late. If you notice, since 1994 my filings have never been late and this is the first time. I'm a one person company and because of circumstances beyond my control was unable to file before May 1, 2002. I can supply you with a physician's letter if that would help verify my situation. As you can see, I filed as soon as I could on June 10, 2002 for \$158.50.

A \$400 late fee would only continue a hardship as I get back on my feet and my business back on track.

Your respectful consideration is requested concerning this matter.

**Sincerely,
Stephen Farrar**
