To Whom It May Concern:

I have just received a "Second Notice" from you indicating that I am delinquent. Your records must indicate that I have NEVER been delinquent in past years. This would ordinarily entitle me to some consideration.

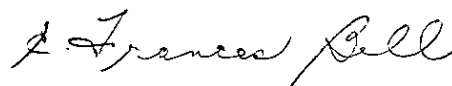

I am a senior citizen of very good standing; law abiding for all of my life. I have owned my small business in Boynton Beach for the past 15 years. Through no fault of mine, and perhaps no fault of your tax office, I never received a "First Notice." I moved my business from Sunshine Square on January 31st of this year. I was under the false impression that my accountant was handling all of my taxes and bills.

I am appealing that you forgive the interest and penalties which you have imposed based on my past record of prompt payment. As a senior citizen in business who has been struggling for the past 15 years to pay the many taxes required of small business owners, I can only afford to enclose herewith \$150.00 for my incorporation tax. I ask you to accept this as payment in full.

I sincerely appreciate your kindness and consideration.

Sincerely,

Fran's Sew & Sew

E. Frances Bell,
President
