RE: Doc #P94000075124

Dear Sirs,

As per a telephone conversation with your office today, enclosed please find copies of paper work that was filed back in July 1998. When June 1998 came around and I hadn't received the "1998 Corporation Annual Report" I called in and requested a blank form which I sent out with \$150.00 and the appropriate changes.

A few days ago I received another packet from your office with an application for reinstatement along with a certificate that revoked my Corporation due to "having failed to file 1998 report". Until this time I had not received anything that stated this problem. I called your office and someone there told me that they had returned all the previous (7/98) paperwork to me because there was no letter of explanation with it. I have never received anything back, and I didn't write a letter back in July 98, because I spoke to someone there and explained everything to them, that's how I received the blank form that I sent out with the check for \$150.00. I believe that the error was in the address, the old address: 4989 Golden Gate Parkway #166, Naples, FL. was a "Mailboxes Etc. business that moved and this address no longer exists as a Post Office Box.

If I need to furnish further information, please call me at the above stated phone number.

Sincerely,

Marlene M. Millet  
President
