To Whom It May Concern:

Please find enclosed the 2001 Uniform Business Report for our company along with a check in the amount of \$150.00 (one hundred fifty dollars and no/100's).

We realize this report is being submitted a little later than usual, however there have been extreme extenuating circumstances beyond our control that have contributed to the delay. The hard drive on our computer system went out, subsequently causing a devastating loss of vital information for the company. We also had to relocate our office during the midst of this crisis. Several important administrative files were misplaced during the move causing yet another crucial milestone for the company to overcome.

In view of these circumstances, which were beyond our control, I would like to request a pardon for the delay in getting the UBR to your office. I would also like to request an exception to the additional fees assessed for later filing if possible.

If you need any further information concerning this matter, please feel free to contact our office at the above address and phone number.

Respectfully,

Steve M. Smith
President
