PLAN OF LIQUIDATION

OF

EBBITA CORP.

This plan of Complete Liquidation ("Plan") is intended to accomplish the distribution of all the assets of EBBITA CORP., a Florida corporation (the "Corporation") in complete liquidation pursuant to Section 331 of the Internal Revenue Code, as amended (the "Code"), and the formal dissolution of the Corporation pursuant to the Florida General Corporation Act (the "Act").

Effective Date. The Plan shall become effective upon its approval and adoption by the Sole Shareholder of the Corporation (the "Shareholder") voting at a Shareholders' meeting called for such a purpose. The date upon which the Shareholder so approves of the Plan shall be the effective date of the Plan (the "Effective Date").

Winding Up Affairs of the Corporation. After the Effective Date, the Corporation shall proceed to take the following actions:

Sell or otherwise liquidate all of the Corporation's property and assets, upon such terms and conditions as the Board of Directors of the Corporation (the "Board") deem expedient.

Discharge or provide for the payment and discharge of all its obligations and liabilities, and take such other action as may

balance of any reserve fund remaining after payment of the obligations and liabilities intended to be paid therefrom to the Shareholder.

If the Corporation shall have any claims (including, but not limited to the claims for the refund of Federal income taxes), actions, rights or other assets of any description which are unliquidated, contingent or which for any reason have not been liquidated, collected or sold within the Liquidation Period, the Corporation may assign, transfer and set over to the Trustee any or all of such claims, actions, rights or assets so that the Trustee may demand, collect and receipt therefor, compromise or settle or sell the same and distribute the proceeds thereof to the Shareholder. Such assignment, transfer and setting over by the Corporation to the Trustee shall be deemed to be a distribution to the Shareholder.

The purpose of any trust created hereunder shall be limited to receiving property, selling the property, maintaining and collecting the income from the property prior to sale, collecting the proceeds of sale, discharging any unliquidated or contingent obligations or liabilities of the Corporation for the payment of which reserve funds were transferred to the Trustee and distributing to the Shareholder the net income and proceeds of the property. Any such Trust shall terminate upon sale of the property and distribution of proceeds, subject to the provisions above dealing with the payment of unliquidated or contingent obligations

or liabilities or the Corporation. The Trustee shall be authorized to do and perform such acts, to execute and deliver such deeds, bills of sale, instruments of transfer and other documents, and to engage the services of such agents, attorneys, accountants, appraisers and other persons as he may deem necessary and advisable in order to carry out the purposes of the trust.

Dissolution. At such time as the Board shall determine and, in any event, within a reasonable period of time after the distribution to the Shareholder of all the assets of the Corporation, any and all necessary action shall be taken so that the Corporation may be formally dissolved with the provision of the Act.

Amendments to and Abandonment of Plan. Notwithstanding the fact that the Plan shall have become effective, the Board may, in its discretion and without further action by the Shareholder, amend, modify and supplement the Plan in such manner or in such particulars as may be required or as may be deemed desirable in order to qualify the Plan as a complete liquidation of the Corporation under Section 331 of the Code, provided however, that no such amendment, modification or supplement shall materially and adversely affect the rights of Shareholders hereunder. The Plan may be abandoned by the affirmative written consent of the Shareholder, in which event, no further action shall be taken by the Board or Officers of the Corporation to consummate the Plan.

Authority of President. The President of the Corporation is authorized to do and perform such acts, to execute and deliver such deeds, bills of sale, instruments of transfer, applications, certificates and other documents and to engage the services of such agents, attorneys, accountants, appraisers, and other persons as he may deem necessary or advisable in order to further implement the Plan.

Execution. Upon the adoption of the Plan by the Shareholder, the President or Vice President and the Secretary of the Corporation shall execute the same for and on behalf of the Corporation for the purpose of identifying the Plan as the Plan to which the Shareholder has adopted.

Binding Plan. Except as otherwise provided herein, this Plan shall be binding upon the successors and assigns of the Corporation and the Trustee and shall be binding upon and inure to the benefit of the Shareholder and his heirs, successors and assigns.

IN WITNESS WHEREOF, the undersigned set their hands and affix the corporate seal of the Corporation this 17th day of November, 1997.
