After the subscription shares have been issued, each holder of shares in the corporation shall have the first right to purchase shares (and securities convertible to shares) of the corporation that may from time to time be issued (whether or not presently authorized), including shares from the treasury of the corporation, in the ratio that the number of shares he holds at the time of issue bears to the total number of shares outstanding exclusive of treasury shares. This right shall be deemed waived by any Shareholder who does not exercise it and pay for the shares preempted within thirty (30) days of receipt of a notice in writing from the corporation stating the prices, terms and conditions of the issue of shares and inviting him to exercise his preemptive rights.

5.2 Prohibition of Issue of Shares for Other Than Money or Property. Shares in the corporation shall not be issued for consideration other than money, property or in payment of a debt of the corporation, without the unanimous consent of all Shareholders.

5.3 Restrictions on Transfer of Stock. If any two or more Shareholders or subscribers to stock of the corporation shall enter into any agreement restricting the rights of any of them to transfer, encumber or otherwise dispose of any shares of stock of the corporation held by them, then all share certificates subject to such restrictions shall have a reference to the restrictions placed on the certificate and such stock shall not thereafter be transferred on the corporate books except in accordance with the provisions of such agreement.
