To Whom It May Concern:

I am writing this letter to request that Sarasota Alarm & Electric Co be charged only the \$150.00 fee though we did not file our 2003 Uniform Business Report on its scheduled due date. In the previous years, my company has always filed all reports on time. I had a tough year dealing with a severe & bitter divorce which affected my business principles and standards. I was the laborer my now ex-wife who did handle all issues of filing forms with State, County, and City. My ex-wife would intercept personal and business mail to out right make my life more difficult during our divorce.

Now I have a handle on my personal matters I have made the appropriate changes to correct all mailing issues. Penalizing my company for not registering my UBR form on time would only put another nail in the coffin for me and smile on my ex-wife's face for another job well done.

I am fully aware that I am responsible for my own actions, but if the state of Florida could understand these difficult times which I have just passed thru, Sarasota Alarm & Electric and the people and homes I serve and protect in the Sarasota County would appreciate your cooperation and understanding. Thank for your consideration in advance.

Sincerely,

Philip T. Esposito
President
