As I told Stevie H. and everyone else who has helped me on this matter. This coroperation was never activated.

My husband runs a one man excavating business with no employees & no outside people with intrests in the company. He had been given bad advice to incorporate by an attorney who did not tell him all the details incorporating would entail. The business is almost always under the ten thousand dollar mark in earnings. My husband will be 70 in Feb and I don't know how much longer he will work.

I hope I have done everything correctly. Please let me know If I need to do more. Boy, a lot of money for nothing.

I hope it's over.

Thank you,
